

HEUKING KÜHN LÜER WOJTEK

Heuking Kühn Lüer Wojtek is one of the largest independent German corporate, tax and commercial law firms. National and international clients trust the expertise and experience of our more than 400 lawyers, tax advisors and notaries. We represent medium-sized and large companies in the area of industry, trade and the provision of services as well as organisations, public corporations and private clients in the most diverse fields of law.

Klaus Weinand-Härer is Partner and Tax Advisor in the Frankfurt office of Heuking. For more than 25 years Klaus has specialised in the tax structuring of acquisitions, funds, financings including leasing transactions. His clients are international groups, funds, infrastructure investors as well as domestic and international investors with respect to debt and equity investments.

Markus Lennartz, Lawyer and Partner at Heuking has 20 years of experience in the IT and telecommunications industry. He started his professional career at Deutsche Telekom AG in the M&A Management. He became Head of Corporate Office of Deutsche Telekom AG with direct reporting to the CEO and the Chairman of the Supervisory Board before he was responsible for international Public Sector business. At Heuking his focus is infrastructure- as well as (re-)structuring- and M&A-projects.

Objective:

Broadband and Fiber Market Update Germany – new (structural) opportunities

Content:

- Recent developments in the German broadband and fiber market and outlook for 2020/21 (grants, view on Telcos, new opportunities)
- Update on investment structures, in particular, strategic investments and joint ventures

Format:

- Interactive workshop with max. 15 participants
- Presentations only support the workshop discussion. The major focus is the active participation and integration of the participants
- Chatham House rules apply for every Di² Summit Workshop and secure the high-level trustful environment
